Category: 2010

Additional Information:

For the past 20 years, the GLOBE Series has grown to become one of the world's most influential international events on the business of the environment. Join us March 24-26, 2010 in Vancouver as GLOBE brings together leaders of government and industry to discuss current sustainable business trends and to showcase innovative solutions to the world's environmental problems.

More than 11,000 attendees from 80+ countries representing some of the most forward-thinking organizations from around the world will converge at GLOBE to network and discuss the business case for sustainability.

The high-level program features over 200 expert speakers and 50 educational sessions on topics relating to: corporate sustainability, energy priorities, climate change and carbon management, sustainable finance, water, clean(er) technology, and building greener cities.

In addition to the conference, a closely integrated Trade Fair will showcase over 450 eco-efficient technologies for emissions reduction, alternative energy, transportation systems, and more.
